

Chicken for Charity

Our purpose at Chick-fil-A Easton is to have a positive influence on all who come into contact with Chick-fil-A, which includes giving generously to others. We want team members to be able to give back as well through Chick-fil-A and the food they serve guests each and every day.

OUR DONATION GUIDELINES:

- We donate to non-profit organizations that serve our community.
- We will donate 25 sandwiches or a large nugget tray to selected organizations nominated by Chick-fil-A Team Members. Team Members are responsible for coordinating the donation if their organization is selected.
- Team Members must be present at the event to give out sandwiches.
- We only consider donation requests that are submitted through this form. Donation request forms must be completed in full for consideration.
- We ask for at least one month (30 days) notice of any donation request.
